

Planning an eclipse party in April and need glasses? While our council will not be in the path of totality, you will need glasses to view it, and we have them!

The eclipse glasses will be available for pick up at El Paso, Las Cruces, Midland, Odessa, and Carlsbad program centers.

Email info@gsdsw.org with number needed and pick-up location.

Deadline to order is Thursday, March 7, 2024.

These are first come - first served.
