YEAR OF THE GIRL

2012 is a celebration of girls and recognition of their leadership potential. Our goal is to effect change in the span of one generation so a girl born in 2012 will grow to experience life in a new and vastly different world. We all have a role to play in helping girls reach their full potential. Because when girls succeed, so does society. Together, we will get her there. Visit ToGetHerThere.org to find out what you can do.
