

2nd Annual First Light Federal Credit Union Sun Bowl Parade Clothing Drive

"Earn It to Win It"

Calling all Girl Scouts, Troops, and Service Unit Teams

We are partnering with Goodwill Industries on a huge Service Project and we need everyone's help!

The Sun Bowl Association, First Light Credit Union, and Goodwill Industries are partnering with non-profits and businesses to collect as much clothing as possible. The organization/company that collects the highest poundage of clothing will be awarded the use of a pre-built parade float valued at \$10,000! What this means for us is that GSDSW can be in the annual Thanksgiving Day Parade and will have exposure to over 300,000 people in the El Paso, West Texas, and Southern New Mexico area.

Goodwill is going to bring a large bin here to the El Paso Council office. El Paso, Las Cruces, Silver City, and Deming Girl Scouts start collecting Sept. 13, 2011 thru Oct. 14, 2011. Put items into bags and weigh each bag using any home scale. Each troop will weigh the bags and transfer that information onto the attached form. Please include all information requested. The troop leader or parent comes and drops off the bags into our bin at the El Paso Office and then turns in the form to Debra Garcia, Fund Development Manager for GSDSW. You can fax it, drop it off, or scan and email the form to her at dgarcia@gsdsw.org the fax number is 915-565-1500.

GSDSW will recognize three categories: Juliette, Troop, and Service Unit. The Juliette, Troop, and Service Unit who bring in the most pounds in each category will be recognized at the GSDSW annual Girl Award Ceremony in May. Debra Garcia will keep a record of the poundage for each Juliette, troop, and service unit. In the city-wide contest, if GSDSW as an organization brings in the most poundage the winners in each category will be able to be in the parade float and our Girl Scout vehicle.

This is a wonderful opportunity to show El Paso, West Texas, Las Cruces and Southern New Mexico the power of girls united with a purpose! We are confident that our Girl Scouts can be the lead in this great Community Service Project.
