

Girl Scouts of the Desert Southwest **General Girl Participation Parent Permission Form**

Girl Scouts of the USA *Safety-Wise* Program Standard 10 states: "Written permission from a parent or legal guardian should be obtained for participation in Girl Scouting. Leaders and girls are responsible for informing parents or guardians of the purpose of Girl Scouting; of the date, time, place of meetings; and the type of activities included in troop plans". In GSDSW Council, when activities take place outside of the scheduled meeting place or time, involve travel, or focus on sensitive or controversial topics, parent and/or guardians MUST sign written permission.

I hereby give permission to the leaders, staff, or agents of Girl Scouts of the Desert Southwest to obtain and administer such medical attention as might be required for the immediate care of my daughter/ward in the event such help of an emergency nature becomes necessary. Such permission will include the administration of such medicines or treatment as might be ordered or administered by a duly licensed medical doctor in a local hospital. In no event will Girl Scouts of the Desert Southwest, its' leaders, officers, or agents be held liable for any emergency care, first aid rendered or treatment, drugs, and medical procedures performed pursuant to this consent. It is the parent or legal guardian's responsibility to keep GSDSW Council informed of any medical changes.

I hereby give my consent that any and all photographs of my daughter/ward taken at a Girl Scout activity may be used by Girl Scouts of the Desert Southwest or GSUSA in whatever way they choose and remain the property of Girl Scouts of the Desert Southwest.
