THE GIRL SCOUTS OF THE DESERT SOUTHWEST Troop No. 427, led by Kathy Hernandez, hosted the annual awards ceremony on May 19. Some girls marked their first year in the organization and others moved up a level in their scouting. The group was also honored with pins and certificates by Cpl. Maryrose Sierra, who attended the ceremony during her personal leave. Sierra, a U.S. Marine, had received a care package from the troop while stationed in Afghanistan.
