Summer Camp Guide

2026

Girl Scouting builds girls of courage, confidence, and character, who make the world a better place.

Discover the Magic of Girl Scout Camp!

At Girl Scout camp, girls grow in courage, confidence, and character while making friends, discovering new passions, and creating memories that last a lifetime.

Every camp experience includes the opportunity to earn official Girl Scout badges, a fun way to celebrate new skills and achievements. Campers will receive their earned badge(s) at the end of camp, a special reminder of all they've accomplished.

Here, Girl Scouts unplug from screens and reconnect with nature, stepping boldly outside their comfort zones to explore, play, and learn in a supportive, empowering environment.

Camp Mitre Peak, located between Alpine and Fort Davis, TX, is a place unlike any other. Watched over by the majestic Mitre Peak, the camp radiates a unique Mitre Magic that every camper feels from the moment they arrive. Once you experience it, your Girl Scout adventure will never be the same!

How Resident Camp Works

Who Can Come to Camp?

Girls entering grades 3–12 in fall 2026 are invited to join the adventure! Register your camper for a session that fits her age, Girl Scout level, and interests. Example: A girl finishing 3rd grade and entering 4th should register for a Junior program, even if she hasn't bridged yet.

Camp Life

Campers swim daily (weather permitting)! On Sunday, girls complete a swim check, learn horse safety, and choose their YOYOs ("Your On Your Own") which are fun afternoon activities offered in addition to their main program. Some sessions may not include YOYOs every day.

Not a Girl Scout Yet?

No problem! Join for \$25 and then register for camp. All Girl Scouts are automatically covered by camp insurance, so everyone's ready for fun!

Field Trips

Some programs head off-site for extra adventure! Permission to travel is included in registration. Look for the field trip icon in program listings.

Every girl in every session will earn a Girl Scout badge corresponding to that particular program! Some programs will complete more than one badge. Girls will receive their badges at the end of the session.

Camp Registration and Financial Assistance Information

Registration

It is easier than ever! Prices have not increased and the complete registration process is online! Visit <https://bit.ly/GSDSWeventcalendar> for sessions and registration. If you can't register online, call 915-566-9433, ext. 2241, for assistance.

Registration and Payment Deadline

Registrations are accepted until the camp session is full or two weeks prior to the session start date, whichever comes first. A \$75 non-refundable deposit is required to secure your camper's spot. Desert Dollars may be used for a deposit. Payment in full is due 15 days prior to the camp session start date. If full payment is not received 15 days prior to your camper's start date, her slot will be forfeited and opened up to other campers. Your deposit will not be refunded. If you register for camp within 15 days of the session start date, payment in full is required.

Cookie Rewards and Desert Dollars

If your camper sells 3,000+ packages of Girl Scout cookies and chooses a free week of camp, or 5,000+ packages for two free weeks of camp, she must register following the standard camp registration process to reserve her spot. All camp registrations require a \$75 deposit payment at the time of registration to hold the camp session. Once the Girl Scout Cookie Program is complete and all prizes are confirmed, campers who elect a free week of camp will be refunded the deposit paid to hold their camp spot. If your camper plans to pay with their Desert Dollars, she must register following the standard camp registration process to reserve her spot. A completed Desert Dollar redemption form with Desert Dollars must be mailed to GSDSW, 225 E. Idaho, Suite #9, Las Cruces, NM 88005.

Financial Assistance for Camp

GSDSW is committed to making sure that camp is accessible to our Girl Scouts. Families requesting financial assistance for camp still need to register for camp and pay the \$75 deposit. To apply, please go to www.gsdsww.org or <https://bit.ly/CMPFA2026>. Typically, financial assistance covers up to 50% of camp fees.

Refunds and Program Transfer

Requests for refunds must be submitted in writing to info@gsdsww.org at least four weeks in advance of the program date for consideration. The \$75 camp deposit is NON-REFUNDABLE. Refunds are not issued for campers who do not attend. Refunds are not issued for cancellations occurring less than four weeks in advance of the session start date. Refunds due to illness or injury require a doctor's note for consideration. If a camper needs to change which week or program she is attending, please contact info@gsdsww.org as soon as possible. There is a \$25 fee for transferring from one session or program to another.

Confirmation

Immediately following your camp registration, you will receive an email confirmation with your receipt from Doubleknot. You will receive another email in approximately two weeks with a Camper Registration Packet that includes health history forms, permission forms, Health Exam form, buddy request, alternate adult pick-up form, and a packing list.

Cancellations

GSDSW reserves the right to cancel a camp program due to insufficient registration, acts of nature, or other reasons beyond our control. In the event a camp program is canceled, a full refund will be issued. For cancellations, an email notification will be sent to each registrant. Phone numbers and emails can be updated at any time in your myGS membership account.

All program offerings have a six-camper minimum. If the minimum is not met two weeks prior to the start of the session, then parents and campers will be contacted to select a different program or receive a full refund.

 **Register for camp before April 1, 2026, and your camper will receive \$15 Trading Post credit* to be used while she is at camp!** 

*one credit per girl

Camp Traditions

YOYO's

Afternoon sessions called YOYO's (Your On Your Own) are activities selected by the campers on their first day of camp. Hiking, arts & crafts, guest presenters, and free swim are just a few things campers can select. NOTE: not every program has YOYO's every afternoon.

Theme Meals

Mealtime is more than just food - it's fun time! Each week, campers and staff come together for theme meals, where the dining hall transforms into something totally different. One day you might find yourself at a backwards dinner eating dessert first, and the next your using a spatula to eat spaghetti for random utensil meal!

Camper Council

Girl Scout camp is all about girl-led adventure—and Camper Council is how your ideas help shape the fun! Each unit chooses a few girls to represent them at council meetings, where campers share what's going well, brainstorm new ideas, and help plan special camp activities.

Cook Outs

There are so many different ways to cook your meal outdoors - campfire, buddy burners, on stick, or in a Dutch oven. How about baking a cake in an orange? Camp is great way to try new foods and you just may discover your new favorite flavor.

Closing Campfire

The last night of camp is pure Mitre Magic! Campers gather under the stars to sing songs, perform skits, and share their favorite memories. It's a time to celebrate friendships, laughter, and all the adventures of the week - while already dreaming about next summer!

Camp Information

Arrival/Departure to Camp

Saturday Check-out: 10:00 - 10:45 AM CST

Please respect check-in and check-out times as they have been developed to accommodate a smooth transition for all campers.

Arrival

Gate will open at 2:00 PM CST.
Parent orientation is at 3:30 PM at the Kiva, if you have questions. After the parent orientation, you can discuss any special custody arrangements or other important information with the Camp Director.

Departure

Campers must be picked up by 10:45 AM CST.
All adults picking up campers must show a photo id. Campers are not allowed to leave camp with anyone other than their parent or guardian without a signed, written statement from the parent authorizing the specific adult by name that is picking up the camper. This authorization should be discussed with your camper and the counselor at check-in and is included in the Camper Registration Packet.

Camper Behavior

Campers who consistently do not follow directions can endanger their own safety as well as the safety of other campers and staff.

A camper may be sent home early for consistently not following directions. A parent phone call will be placed prior to a final decision. No refunds will be given.

Stay 'n Play

Campers may stay overnight at camp between consecutive resident camp programs for free! Campers enjoy downtime, movies, special treats, and getting recharged for the next week. Their laundry will also get done during this time. Check "Stay 'N Play" in the Camper Registration Packet.

Trading Post

The Trading Post has healthy snacks, toiletries, and camp souvenirs available for purchase, from 50¢ to \$20.00. You may deposit money into your camper's account during check-in with cash, check, credit card, or Desert Dollars.

Camp Information

Health Information

Doctor Exam / Camp Physical

All campers are required to have a completed Health Record & Doctor Exam form. This form must be completed after January 1, 2026, and submitted one month prior to the session start date. See the chart on page 18 for deadlines. If registering less than one month prior, then the Exam form should be submitted as soon as possible. This Exam Form must be completed by a physician, nurse practitioner, or physician's assistant with original signatures and dates. Exam forms may be duplicated, but each copy must have original signatures.

Medications

All medications, prescription or non-prescription (including vitamins), must be in the original container with the dosage. Medications must be left with the health supervisor during check-in. Send enough of the prescriptions for her entire camp stay. Include medications that require only occasional use, such as epinephrine pens or inhalers.

Health Screening

Our on-site health screening ensures that campers are admitted to camp without a contagious illness or condition. We screen for 1) raised temperatures, 2) head lice, and 3) foot fungi. Campers remove their shoes, socks, and hair accessories (ponytails, braids, hair beads, etc.) for screening.

Contagious conditions will prevent a camper from being admitted to camp, and if detected, it is the responsibility of the parent to seek treatment. A camper may be allowed back into camp after receiving prescribed care. Camp fees are non-refundable when a camper arrives with a pre-existing condition.

Health Center & Local Services

The Health Center houses the camp nurse and includes an isolation ward and a med/clinic room. Campers' medications are properly stored and administered by the camp nurse. In cases of illness or injury, campers are treated at camp unless further care is needed. When necessary, campers are taken to a local physician or Big Bend Regional Medical Center, ten minutes from the camp in Alpine.

Camp Information

Cell Phone Policy

Camp Mitre Peak follows a no cell phone policy to ensure Girl Scouts safety and inclusion. This means that visible cell phones will be collected by camp staff, powered down, and held until checkout for safekeeping.

This policy applies to other technology or devices if it is deemed a safety issue or a distraction to group activities. If your Girl Scout uses technology as an assistive device, please contact us at info@gsdsw.org to ensure we have the best possible support in place. We welcome adult campers' use of cell phone for photos, but reliable cell service is rare at camp.

Camper Blues

Feeling a little homesick at camp is normal, especially on the first day or two. Most campers adjust quickly and are soon enjoying all the activities, friends, and adventures around them. If a camper continues to feel sad or isn't joining in, counselors and the Camp Leadership Team are there to help and provide extra support.

Parents are always welcome to call and check in with their child's counselor. If the counselor is unavailable, you can leave a message—they'll usually return the call by the next mealtime.

Birthdays

Birthdays are fun celebrations at camp. Special arrangements for giving a present or providing treats for your camper's entire unit can be made in advance with the Camp Director. Campers with birthdays while at camp are recognized during breakfast on "their" day.

Summer Camp Information

Communication

Lack of mail is the chief cause of camper blues. Letters can be mailed prior to your camper's session OR left at our Trading Post during check-in. Please allow at least three to four days for the postal service to deliver mail to camp. If mail is left at our Trading Post, please make sure it is clearly marked with: camper name, program name, and delivery date.

When writing, avoid phrases like we miss you so much, wish you were here, your pet hasn't eaten for a week, or your friends ask about you.

Make a Girl's Summer - Send her to Camp

At Girl Scouts, we believe every girl deserves the chance to experience the magic of camp. Camp scholarships open the door for girls who might not otherwise be able to attend due to financial circumstances. Your contributions ensure that girls across the 33 counties we serve can enjoy the same adventures, friendships, and leadership opportunities—no matter their family's budget.

Scholarships also help cover the cost of camp activities, keeping fees low so more girls can participate. With your support, we can continue giving Girl Scouts the tools to become the leaders they dream to be today and the leaders our communities need tomorrow.

Your gift makes a difference:

- \$1,000 – One week of resident camp for two girls
- \$500 – One week of resident camp for one girl
- \$250 – Half a week of resident camp for one girl
