

Museum Visit

January 2025

There are all kinds of art works - painting, sculpture, tapestry, and photography. Most art work is housed in museums. Some museums are very famous (Metropolitan Museum of Art in New York City), some are very old (Capitoline Museums in Rome, Italy), and some are very large (Louvre in Paris, France is the largest in the world.)

However, you don't need to travel far to visit an art museum to see works of art. Almost every small town has some sort of art museum. Or maybe there is an art gallery in your town.

This month's challenge is for you to visit an art museum (or gallery) and spend some time learning about the art and the artist. Take a paper and pencil with you as you will need to write a short description about a piece of art that "speaks" to you.

- ✿ What kind of art is it?
- ✿ Who is the artist?
- ✿ What is it about?
- ✿ How did you make you feel or what did it make you think about?
- ✿ Don't forget to take a photo!

You never know, you may find a favorite artist or get inspired to create your own piece of art!

Deadline to submit your Museum Visit Challenge:
