

Send a Girl to Camp!

It is our goal to continue to provide opportunities for girls who want to go to camp. Camp scholarships provide life-changing experiences for girls who may not otherwise be able to participate because of their economic circumstances. Contributions to camp scholarships provide girls with a socially supportive context in which to:

- Engage in high adventure and enhanced enjoyment of outdoor activities
- Improve their health and strengthen social bonds
- Develop their connection with, concern for, and conservation of the environment
- Create memories and build leadership skills

With your help, we will continue to give Girl Scouts the opportunities they need to become the leaders they want to be today, and the leaders of our community needs them to be tomorrow.
