

2023 Fall Product Booth Information

Dear Business Owner or Manager,

Thank you for taking the time to consider partnering with Girl Scouts of the Desert Southwest for the 2023 Fall Product Program. The Girl Scout Fall Product Program is one of the cornerstones of our Entrepreneurial Pillar. Part of this program is teaching our girls how to run and operate their very own Fall Product Business.

Through partnerships with businesses such as yours, we can provide our Girl Scouts an opportunity to set up and run their own store front in the form of Product Booths. A typical booth involves two (2)-three (3) Girl Scouts and two (2) adults, (in some cases it may be one (1) Girl Scout and her parent) set up near a door. These booths are usually outside, but occasionally booths may be placed inside or between doorways depending on the store set-up and approval.

All Girl Scouts and volunteers will be expected to follow our Councils COVID-19 Policies and Procedures as well as any State or local restrictions or guideline.

If you are interested in allowing troops to participate in booths at your business for the 2023 Fall Product Program, please complete the below Booth Agreement Form, and return it to the Troop Fall Product Volunteer listed below. Once the forms have been received, they will be sent to the GSDSW Product Program Team. The troop will then come to the booths at your business during the allotted times listed below that have been approved by you. If, at any time, you need to amend the booth schedule, please contact the Troop Fall Product Volunteer listed below.

Thank you for your time,
Girl Scouts of the Desert Southwest

Due to the impact of COVID- 19, additional restrictions and guidelines will be adhered to by the volunteers and Girl Scouts participating in these booths. This agreement is with the understanding that all product booths will be properly supervised and that all adults and girls present will abide by rules mandated by Girl Scouts of the Desert Southwest and your establishment. If I have any problems or need to change dates I already approved, I will call the Troop Fall Product Volunteer listed below.
