Entrepreneurship

Dear Friends and Supporters,

As we reflect on 2024, I am filled with immense gratitude and pride for all that we have accomplished together in service of our mission: to build girls of courage, confidence, and character who make the world a better place.

This year, Girl Scouts of the Desert Southwest continued to provide transformative experiences that empower girls to explore, lead, and thrive. From earning badges and launching community service projects to camping under the stars and engaging in STEM and entrepreneurship, our Girl Scouts have once again demonstrated the limitless potential of young women - when given the opportunity and support.

None of this would be possible without the unwavering dedication of our volunteers, families, donors, community partners, and staff. Your belief in our mission and your investment in the next generation of leaders is what keeps Girl Scouts strong and vibrant. Together, we are building the premier girl leadership program in the country—one that meets girls where they are and inspires them to reach beyond what they thought was possible.

Despite challenges across our movement, our commitment to girls remains steady and strong. We are innovating and adapting to meet the needs of today's youth while preserving the traditions that have shaped generations. Our work is not just about activities and badges—it's about instilling values, fostering resilience, and creating a sisterhood that uplifts every girl.

Thank you for being an essential part of this journey. Because of you, girls in our region—and across the nation—are gaining the skills, support, and confidence they need to lead boldly, dream big, and make a difference.

With gratitude and hope,  
Patty Craven  
Chief Executive Officer

# Gold Awards

Seniors and Ambassadors earn the Gold Award - the highest award in Girl Scouting - by developing and carrying out lasting solutions to issues in their neighborhoods and beyond. Gold Award candidates must complete a minimum of 80 hours on their project. Gold Award Girl Scouts truly are the world changers, rock stars, role models, and real-life heroes we all look up to.

## **Aubree K.**

### DEAR BODY - I'm Listening

I organized an educational event for women (ages 13-25) on female health, highlighting overlooked issues and encouraging open discussions. With guidance from women's health experts, I aimed to break taboos and promote better understanding and care.

## **Amelia W.**

### Not Far Away - Family Resource Packs for Peace & Understanding

In my senior year of high school, I joined the Teen Advisory Council at the El Paso Holocaust Museum to assess teens' knowledge of the Holocaust. I aimed to educate younger audiences on acceptance, combating racism, and addressing intolerance toward minority groups.

# Gold Awards

## **Baryn Foster B.**

### Braxton's Brown Bears

Childhood bereavement is often overlooked, especially for siblings after a loss. I helped funeral homes, grief centers, and hospitals support grieving children by distributing Braxton's Brown Bears, providing comfort and a way to keep their Angel Baby present in their daily lives.

## **Charlene S.**

### El Paso Efforts for Monarch Preservation

Monarch butterflies are endangered due to climate change, deforestation, and poor farming practices. At the El Paso Zoo's Bugfest, I gave an interactive presentation on conservation, educated the public on butterfly waystations, and distributed milkweed seeds to support their habitat.

## **Savannah S.**

### Mi CASA Es Su CASA

I highlighted the challenges faced by youth aging out of New Mexico's foster care system, emphasizing the need for more resources. With many losing support at 18, those without advocates are at higher risk of homelessness or incarceration.

# Silver Awards

The Silver Award is the highest award a Cadette Girl Scout can earn. Working with a small team of Girl Scouts or on their own, they must complete at least 50 hours of work on their project.

# Troop Mitre

Troop Mitre is an all-volunteer organization. Their volunteers create, organize, and carry out all events and projects. The camaraderie experienced by extending our time and talents to Camp Mitre Peak reminds them of their camping days and renews their bonds. Troop Mitre has made a real difference. When they see rebuilt areas, repainted surfaces, and repaired facilities, it restores their pride in Camp Mitre Peak and renews their devotion to a camp we all love.

## **Troop Mitre Mission**

Preserve Mitre Magic for girls and adults. Promote relationships between fellow alumni, friends, Girl Scout organizations, and community. Provide financial support for camperships, programs, and facility maintenance. Perform volunteer services. Protect a high-quality outdoor experience for girls. Perpetuate Camp Mitre Peak History.

## **A Note from the CEO**

We extend our heartfelt gratitude to Troop Mitre for their incredible hard work, dedication, and vision for Camp Mitre Peak. Their ongoing efforts not only enhance the beauty and functionality of our beloved camp but also save our council significant resources each year through the thoughtful purchases and improvements they make. Because of their commitment, more girls will have the opportunity to explore the outdoors, build lifelong friendships, and create unforgettable memories.

Thank you, Troop Mitre, for continuing to make Camp Mitre Peak a place of adventure, growth, and inspiration.

With appreciation,  
Patty Craven
